

International Summer Research Program

JUNE 28 - AUGUST 29, 2026 | LA JOLLA, CALIFORNIA, U.S.A.

The International Summer Research Program (ISRP) is a rigorous program that invites students from partner universities to join labs of **leading UC San Diego faculty and engage in cutting-edge research.**

In addition to gaining valuable research experience, students will have the opportunity to explore San Diego and participate in recreational, cultural and professional enrichment opportunities. At the end of the program, students will present their research at the **2026 ISRP Research Symposium.**

ISRP is open to undergraduate and graduate students of **all** majors, disciplines and fields of study!

To learn more, visit isrp.ucsd.edu

COST

\$6,000 USD*

*Includes housing, visa fees and programming expenses

MORE INFORMATION

- Students must first be nominated by their home university to apply. Contact the international office at your institution for information on how to be nominated and important deadlines.
- Once nominated, students will receive a link to apply. Only complete applications will be considered for admission to the program.
- Cost does not include airfare, meals, incidentals, visa appointment and SEVIS fees.
- For participating labs and more information, visit isrp.ucsd.edu
